

SCHOOL WALK SAFELY FOCUS: Renmark West Primary School held an alternative event for Walk Safely to School Day last Friday. As many of the school's students cannot walk to school because of the distance involved a Walk to the Park Day was held instead. The whole school walked from different points around Renmark to Bert Dix Park in Paringa. Once all the classes met up at the park students took part in a healthy lunch and physical activities. Playing at Bert Dix Park were Della Haynes, 5, Chloe Millington, 8 and Elysia Sinko, 5.
