

PRIME MINISTER

MESSAGE FROM THE PRIME MINISTER

WALK SAFELY TO SCHOOL DAY 2024

Every year, Walk Safely to School Day reminds us to get out there and get active, and to do it safely. Everyone participating today is doing something positive – for themselves, for our community and for our environment too.

School is a time to learn and have fun. Walk Safely to School Day helps show us that walking can be a source of learning too – about road safety, health and the world around us. Walking to school is also a fantastic way for students to start the day and get the mind and body ready for a day in the classroom.

Of course walking to school is also a great way to remind our children to be careful around roads. Always stop, look, listen and think before you cross.

As a community, we all have a responsibility to make sure our children are active and healthy. By walking together, we help them to thrive and be ready to grasp the opportunities of a bright future.

Australia is a big country – let's get out there and explore it together.

A handwritten signature in blue ink that reads 'Anthony Albanese'.

The Hon Anthony Albanese MP
Prime Minister of Australia

May 2024
