MESSAGE FROM THE PRIME MINISTER

**PEDESTRIAN COUNCIL OF AUSTRALIA
WALK TO WORK DAY 2024**

Walk to Work Day is our yearly reminder to get out there and get active – for ourselves, for our families, and for our communities.

Being in Australia’s great outdoors is its own reward. But it’s also great for our physical fitness and mental health.

Taking a moment in our busy lives to walk through our suburbs, towns or cities allows us time to reflect and, importantly, to reconnect with the people and places that contribute so much to our vibrant communities.

I recognise that it’s simply not possible for many of us to walk to work. But if you are able, I encourage you to put the car keys aside and walk to work today – and to do it whenever you can. Whether on your own or with friends, family or colleagues, you’re contributing to a healthier future for Australia.
